

MEETING REPORT

Team Name: Error404 **Date of Meeting:** Thursday 07/04/2022

Start Time: 10:00AM **End Time:** 10:35AM **Meeting Location:** Google Meet

Moderator: Kamil Ertekin **Recorder:** No recorder

Other Members Present: Egi Jonuzaj, Anxhelo Saraçi, Ervis Sako

Members Absent: Elvis Murati, Enes Vrana

Topics Discussed:

1. Exchanged contact information between members and a Whatsapp group is created.
2. For the project idea, we came up with two ideas:
 - a. Real Estate Management System
 - b. Movie Database System to gather information
3. Whose going to be the team leader.
4. Quick discussion with the group on how familiar they are with the technologies and their experience and how we'll break up the tasks.
5. Availability for future meetings.
6. Familiarity with Git and Github

Decisions Made:

- Kamil Ertekin is the team leader.
- Real Estate Management System is the project the group has decided on
- Each member has been requested to register to github and learn the basics of it.

Tasks Assigned:

- **Researcher All members**
- **Learn Git: All members**
- **Documenting the meetings** – Kamil Ertekin
- **Editor** Ervis Sako, Enes Vrana, Kamil Ertekin
- **Read Lecture Slides** – All members

Time, Place, and Agenda for Next Meeting:

Next Friday, either on Campus or through Google Meet. Most likely before the lectures.
